Pursuant to 37 C.F.R 1.109 and M.P.E.P 1302.14, the following is an Examiner's Statement of Reasons for Allowance:

The prior arts of record do not teach a file replication system comprising a plurality of nodes. One node is established as a master node for storing an updated file as a backup file while another node is established as an originator node and the rest of nodes of a computer network are established as slave nodes in a manner that is network-topology independent and avoids a single point of failure. The file replication system further comprising: local workspace means, global workspace means, means for checking an error of a file version in the master node; means for transferring the updating file to the global workspace means and means for communicating both creation of the backup file to the originator node and availability of the backup file to the slave nodes. Further, as in claims 17 and 19, the file replication system comprising: a polling means and a synchronizing means

The examiner considers the applicants' claims 1, 6-12, 14-23, 25, 28-34, 36-45, 47, 50-56, 58-66 and 68-69 to be allowable based on the claim interpretation and the aforesaid prior arts of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Krisna Lim whose telephone number is 571-272-3956. The examiner can normally be reached on Monday to Wednesday and Friday from 7:30 AM to 4:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glenton Burgess, can be reached on 571-272-3949. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
